About Us

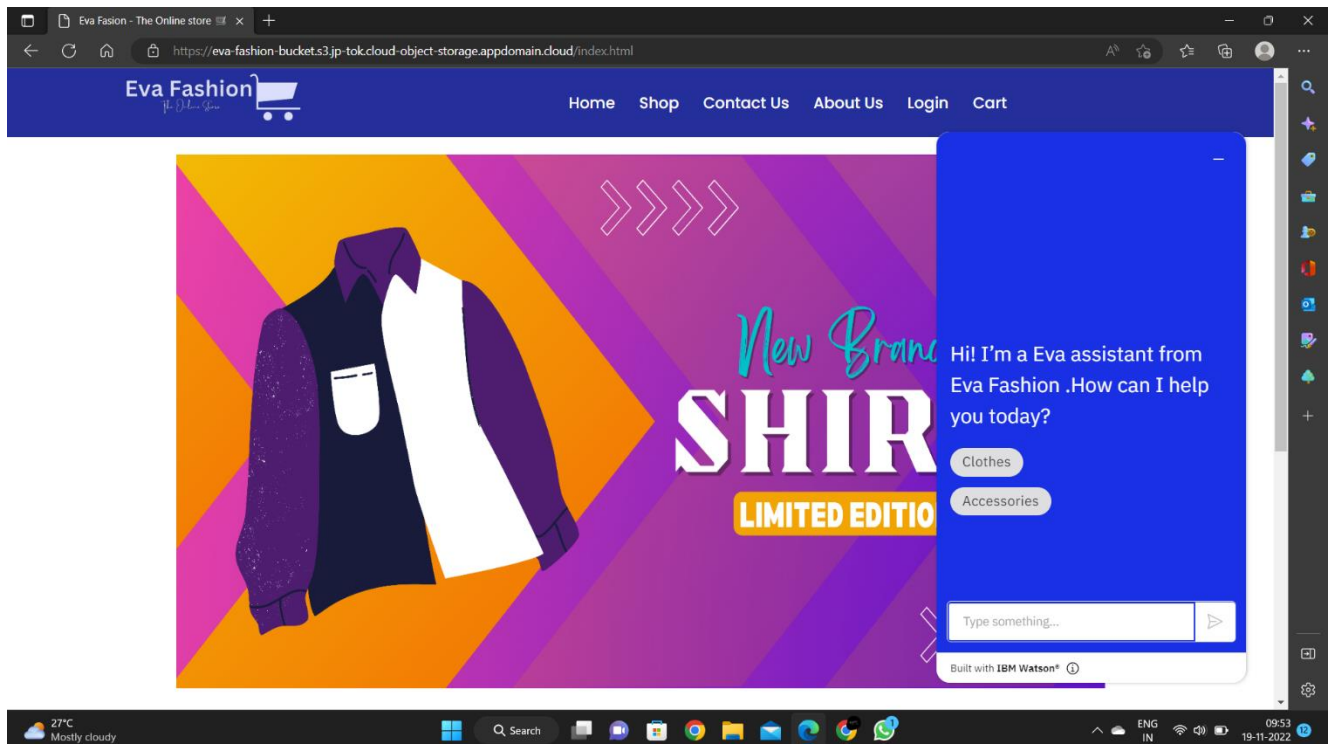

The future of fashion is here. Our team is made up of fashion enthusiasts, designers and engineers who are passionate about creating a wearable and personal product that will change the way people buy. We at Closet are on a mission to make fashion more accessible, more affordable and more personalized for everyone. We believe that technology can change the way people buy clothes by making it easier for them to find what they want when they want it, without breaking the bank.

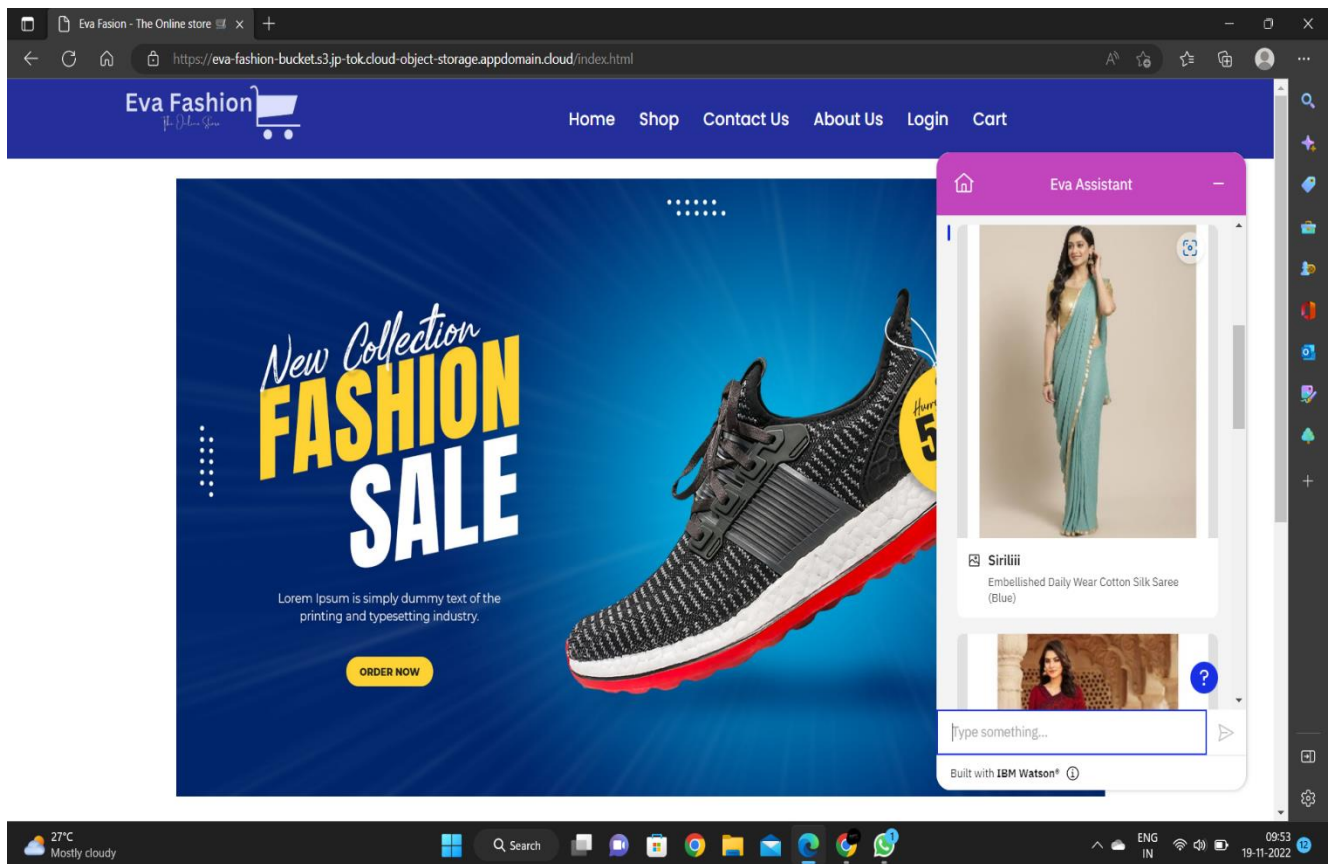

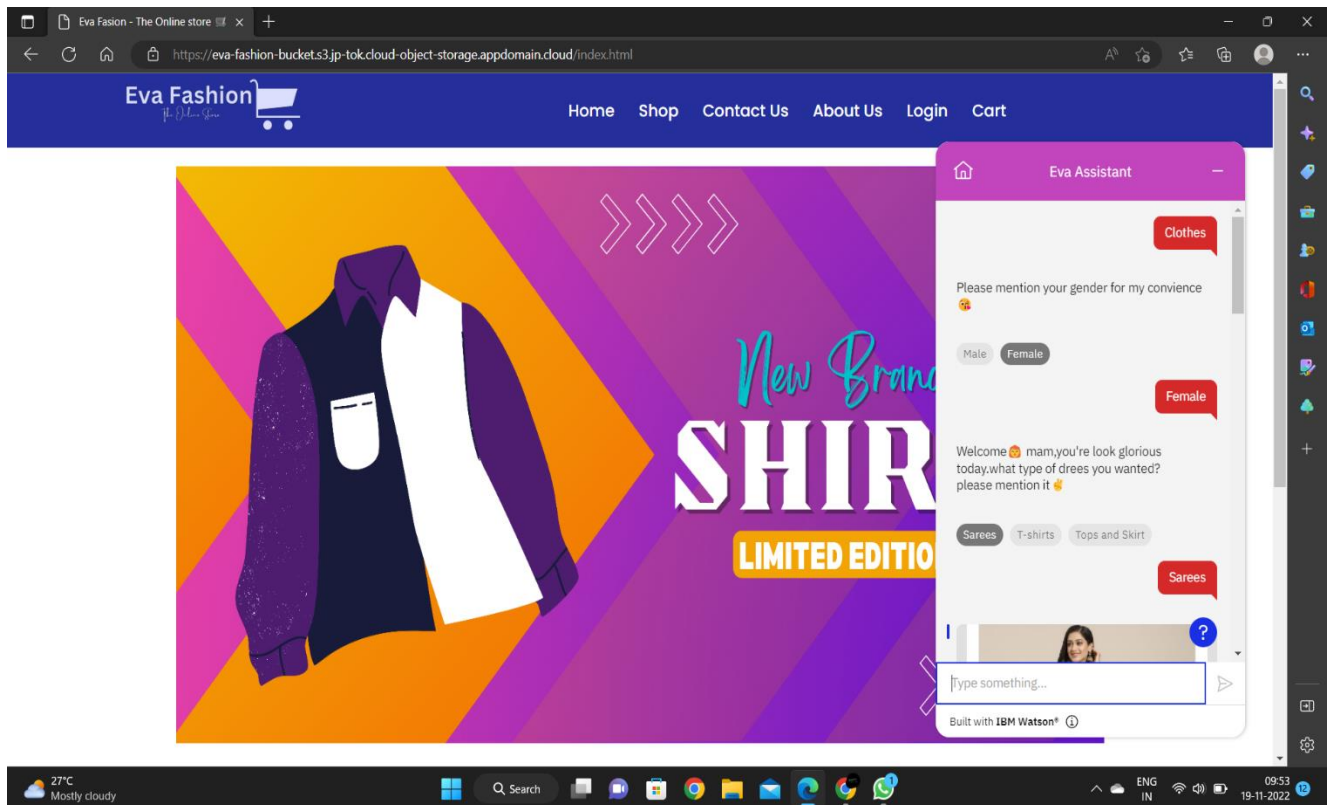

The future of fashion is here! We use machine learning to make the world smarter, more personalized, and more connected. We are always looking for talented people to join our team.
