    <p style="color: #3e2093;">The future of fashion is here. Our team is made
up of fashion enthusiasts, designers and engineers who are passionate
        about creating a wearable and personal product that will change the way
people buy
        We at Closet are on a mission to make fashion more accessible, more
affordable and more personalized for everyone.
        We believe that technology can change the way people buy clothes by
making it easier for them
        to find what they want when they want it, without breaking the
bank.<br><br>The future of fashion is here!
        We use machine learning to make the world smarter, more personalized,
and more connected.We are always looking for talented people to join our team.
